About the Pine Project

The Pine Project is Ontario's leading nature connection organization! We offer year-round nature connection programs for people of all ages in Toronto and the surrounding area, including Outdoor School, March Break programs, and highly sought-after summer camps. Each year we engage with over 1,500 children, teens, families and adults. Our programs foster confidence, competence, resilience and a deep relationship with nature in a way that is hard to achieve in more conventional learning environments.

By helping children connect to nature and teaching adults to do the same, we inspire children to respect, cherish, and care for the Earth. We are empowering the next generation of environmental stewards, problem solvers and leaders. Check out our website – pineproject.org – for more info.

Position Summary

The Pine Project is seeking Instructors to join our Red Wolf Overnight Wilderness Camp team. Unlike many overnight camps, Red Wolf Overnight Wilderness Camp takes place in a backcountry setting, with campers and staff living in tents, cooking over open fires, and living in harmony with the land. This is an exciting opportunity for individuals with outdoor education experience, particularly backcountry and adventure programming experience. Working under the supervision of the Camp Manager, Red Wolf Camp Instructors are responsible for all aspects of camp life including running games and activities in a backcountry setting, as well as preparing meals and supporting campers in learning how to live off the land.

This position is all about delivering high-quality programs creatively and effectively to advance our mission and vision of a world where healthy people care for themselves, others and the natural environment.

- Lead program planning, development, and prep/debrief meetings
- Develop camp culture by leading and participating in skits, songs, and games
- Mentor fellow staff in skill building and in taking on new roles to develop as a staff member
- Encourage camper development at their own pace, recognizing their achievements
- Respond appropriately when addressing challenging camper behaviours as they arise
- Participate in staff training week and camp take-down weekend
- Be prepared to work and live outdoors in all weather conditions
- Act in the best interest of all campers and staff in attendance
- Willingness to continuously learn relevant knowledge and skills related to program content and curriculum

- Up to date Standard First Aid and CPR-C or higher (or willingness to obtain prior to employment)
- Up to date Wilderness First Aid certification (WFR/WAFA) (preferred)

The Pine Project understands that the cost of certifications can be a barrier to accessing employment in the outdoor industry. If you identify as a member of a disadvantaged or marginalized group, or have faced other systemic barriers to accessing employment, we may be able to subsidize one or all of the required certifications.

About you:

- Enthusiastic, outgoing, and flexible
