About Us

The Pine Project is Ontario's leading nature connection organization! We offer year-round nature connection programs for people of all ages in Toronto and the surrounding area, including Outdoor School, March Break programs, and highly sought-after summer camps. Each year we engage with over 1,500 children, teens, families and adults. Our programs foster confidence, competence, resilience and a deep relationship with nature in a way that is hard to achieve in more conventional learning environments.

By helping children connect to nature and teaching adults to do the same, we inspire children to respect, cherish, and care for the Earth. We are empowering the next generation of environmental stewards, problem solvers and leaders. Check out our website – pineproject.org – for more info.

We are committed to promoting equity and diversity within our workplace and greater community. We are especially excited to see applications from members of equity-deserving groups, particularly people from racialized or indigenous backgrounds.
