Explore, learn and grow with nature!

Outdoor programs for children & youth

About Us

We're a Toronto-based charity dedicated to inspiring a love of nature through transformative outdoor programs. By spending time outside with caring mentors and peers, kids build:

- confidence
- resilience
- curiosity
- a love of learning
- a deep connection to nature.

"I can see Pine programs building my kids' self-esteem and sense of independence. They are becoming stewards of nature and I love that they're always excited to go!"

- Julie, Mom of 7 y.o.
Twins

"Pine mentors have an extraordinary ability to connect with a full range of personalities and temperaments. Each week, we left with more knowledge and fuller hearts."

- Jennie, Parent of 11 y.o.

Join us outside!

Our programs take place 100% outside, in all seasons and weather. Whether it's crafting with natural materials, building shelters, learning to track animals, or playing games in the forest, Pine programs help kids develop real-world skills, resilience, and a lasting sense of wonder.
